CSL II Dental Public Health Educational Project

Western University of Health Sciences, College of Dental Medicine · Modality: Educational website

Name	Joshua Chung, DMD Class of 2029
Topic	Medicaid Enrollment (Medi-Cal): Encouraging eligible, uninsured families to enroll
SDOH addressed	**Economic Stability** and **Health Care Access and Quality** (Healthy People 2030 domains). The site ties lack of insurance, income, and cost barriers to untreated decay in children (lower-income children ages 6–9 have 25% untreated caries vs. 10% in higher-income homes), and addresses language, transportation, paperwork, and immigration-related barriers to enrolling.
Audience	General public: uninsured California families with children (Los Angeles and Inland Empire resources). Plain language, English and Spanish.
Website link	https://joshuarchung2-pixel.github.io/csl2-medicaid-site/
Site contents	3-tap guided check (county, household size, who needs coverage) with a personal result card · tap-a-tooth coverage map with an age slider (no teeth yet, baby, mixed, adult, and no natural teeth) · myth flip cards · how to apply, plus one 2026 changes callout · local help (county offices, clinics, phone lines) · printable fridge checklist and QR clinic flyer (English and Spanish) · APA references
